Dear Giant Pickup volunteers,

Another 6 months done and gone. Hope everyone has a blessed Christmas season and great start to 2017. The pickups have been light so I don't know what the new year will bring. Please remember to call Rita if there is no baked goods for pickup. Thanks for everyone's help and faithful service to this ministry.

Reminder Housekeeping Notes:

The Giant bakery should be boxing all baked goods. They have been in a room to the right of the entrance (behind the self-checkout station). Check w/ the attendant when you arrive. An employee will help bring **baked goods out the FRONT DOOR. No Loading Dock pickup. Hopefully this will keep everything running quickly and smoothly.**

Let me know if this isn't the case.

Please empty only baked good boxes at the rectory. Place baked goods on the table across from the door in the kitchen. **Flatten boxes and put in dumpster labeled cardboard waste near the school/church ramp.**

All boxed bread should **stay in the boxes** and be stacked on milk refrig. behind the kitchen door.

These steps are important for helping all the volunteers making lunches throughout the week. Thanks for all you do to keep the Giant program humming along.

Also as requested by Father; Please don't use the front door when delivering baked goods.

Pickup should be delivered before 2:00 p.m. to avoid the alarm going off. The alarm will be one after the Vietnamese mass.

Don't forget to lock both the storm and regular kitchen door before leaving.

Last reminder: Pickup has been lighter due to Giant baking less products. Rita is aware of this. However, ***if you ever run into the situation that no or very few baked goods are picked up – phone her at 717-394-6283.***
