Dear Giant Pickup volunteers,

A big THANK YOU to all the volunteers picking up this past 6 months. We have many changes ahead. Bryan Downey is off the college-Congrats! and best wishes for a successful freshman year. Thanks! Sharon for staying with the committee. It's also a Thank you for your service and good-bye to Joe and Mary Kay Eckenrode with their last pickup in June.

Since I create this schedule 6 months at a time, I hope everyone has a relaxing and fun-filled summer and Fall.

I can't say Thanks enough for everyone's help and faithful service to this ministry.

Reminder Housekeeping Notes:

The Giant bakery should be boxing all baked goods. **NOTE: This isn't always happening, so to reduce your frustration, I'd suggest taking bags or boxes with your pickup. Managers change quite a bit so it's been difficult to communicate with the management.**

Giant puts the baked goods in a room to the right of the entrance (behind the self-checkout station). Check w/ the attendant when you arrive. Unless they say differently, we can just wheel the shopping carts out the front door.

Please keep me posted if you run into problems.

Once back at the parish kitchen:

Please empty only baked good boxes onto the kitchen counter across from the door. **Breakdown & flatten boxes and put outside the kitchen door beside the green trash totes.**

All boxed bread should **stay in the boxes** and be stacked on silver milk cooler.

These steps are important for helping all the volunteers making lunches throughout the week. Thanks for all you do to keep the Giant program humming along.

Also as requested by Father; Please don't use the front door when delivering baked goods.

Pickup should be delivered before 2:00 p.m. to avoid the alarm going off. The alarm may be set after the Vietnamese mass.

Don't forget to lock both the storm and regular kitchen door before leaving.

Last reminder: Pickup has been lighter due to Giant baking fewer products. Rita is aware of this. However, ***if you ever run into the situation that no or very few baked goods are picked up – phone her at 717-394-6283.***
